

PAYMENT TERMS AND AGREEMENTS

I, the undersigned, in consideration for services rendered to me by Aguirre Specialty Care (ASC), understand and agree to the following:

1. Any co-payments and/or deductible amounts are required to be paid on the day services are rendered.
2. Payment for charges is due on the date of service with the exception of insurance carriers for which ASC is under contract to file directly. Cosmetic procedures: 10% deposit is required at the time of booking and full payment **must be paid in full two weeks prior to surgery.**
3. My insurance coverage may not provide payment for all charges incurred in obtaining treatment from ASC. I will be responsible for any co-payment, deductible, coinsurance, or service not covered by my insurance provider. I understand ASC will require a credit card authorization be obtained and kept on file to be charged once each claim has been adjudicated by my insurance. However, unmet deductibles and copayments are due at time of service. If I do not have insurance coverage for services rendered by ASC, I agree to pay all charges resulting from such services on the day of service.
4. As a patient it is my responsibility to verify with my insurance company that ASC physicians are part of my provider network (HMO, PPO, etc.). I understand it is my responsibility to obtain visit referrals from my primary care physician if my plan requires such. I understand that I am responsible for notifying the office of any changes in insurance coverage. Failure to notify ASC of these changes will make me responsible for claims not accepted by the insurance company.
5. I hereby authorize ASC to file with my insurance carrier, and I assign payment of medical benefits to Aguirre Specialty Care and in addition I authorize release of any and all medical records and information necessary to process any claim generated by services I receive from ASC.
6. A credit card authorization is required of all patients upon their first visit to be kept on file and will be used for patient balances after adjudication of each claim by my insurance carrier.
7. I authorize release of any and all medical records and information necessary for treatment, payment and operational purposes as indicated in ASC's Notice of Privacy Practices.
8. Cancellation/No-Show Policy: Time slots for appointments, medical testing, and surgery are reserved for me alone, therefore any cancellation of such with less than adequate notice to the office creates a hardship. Therefore, I agree to be responsible for the following cancellation/"no-show" fees with the times as noted. Less than two business days' notice or "no-show" for my appointment: office appointments \$50, cystoscopy \$75, urodynamic testing \$100, PNE \$200. The cancellation fee for strictly urogynecologic surgeries cancelled for non-medical reasons within 15-30 days is \$50, 4-14 days is \$100, and less than 72 hours' notice is \$500. Cosmetic Surgery and/or combination cosmetic and urogynecologic procedures: Surgeries canceled 6-14 days prior to surgery date ~50% of surgery fees are refundable; 5 or fewer days 25% of surgery fees are refundable; there is a \$500 rescheduling fee. I understand these fees are not covered by insurance and are my responsibility and will be charged immediately to my credit card on file.
9. Returned checks will incur a \$35 fee and accounts turned to collections will be charged the maximum collection fee allowable by the state of Colorado.
10. There is a \$25 charge for each disability, FMLA, or other medical form to be completed. We require 7 days for completion. Expedited (1 business day) service is available for \$50 per form. Payment must be received prior to the completion of the forms.
11. Cosmetic procedures (surgical and non-surgical) are considered elective surgery. I understand that elective cosmetic procedures are not covered by my insurance carrier. Aguirre Specialty Care will not bill any insurance carrier for any elective cosmetic procedures.

CONSENT FOR TREATMENT

I, the undersigned, voluntarily agree to the tests, procedures, and/or treatments which the physician has deemed necessary and which are administered to or performed on me under the direction of the physician or his/her designee.

CONSENT TO RELEASE MEDICAL RECORDS

1. I understand that my insurance carrier may require copies of my medical records in order to process claims. I hereby agree to such release of my records.
2. I understand that in the course of its own business ASC staff members will have access to my medical record. I hereby agree to such sharing of my personal health information.
3. I understand ASC participates in clinical trials and I agree to allow my medical records to be reviewed by ASC staff to determine if I might qualify to participate in any such trials.
